CURRENCY

USD
EUR
JPY
CNY
GBP
AUD
CAD
INR
RUB

Supports 100+ Currencies
Supports up to 40 Currency Mix

Why 2 Pocket ?

50% Less Counting Time !!!

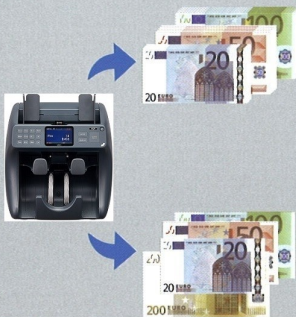

When counting a damaged banknote

- 1 pocket counter stops to remove the damaged banknote
- 2 pocket counter keeps counting because it sends the damaged banknote to the reject pocket

□ Counting 500 Pieces of Banknote

Key Function (Useful where handling large amount of bank notes)

+ Sorting
Sorts each denomination

+ Value-Counting
Total the counted amount

Public Transportation
Religious Group
Hospital
Bank
Other Financial Institutions

1. Excellent Performance

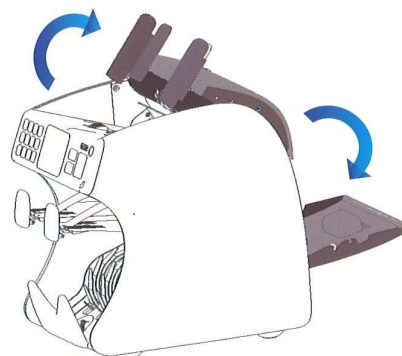

■ Less Jam

Shorter Banknote Path

MIB-9	180 mm
Other Machine 1	230 mm
Other Machine 2	280 mm

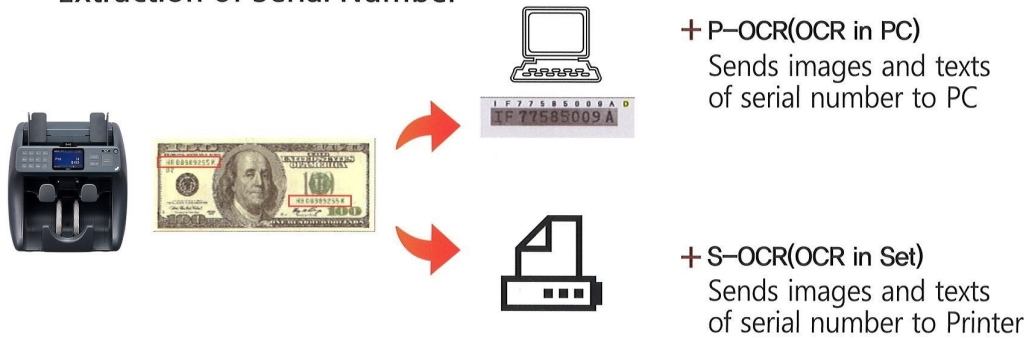

MIB-9 has a shorter banknote path.
The shorter the path, the less jamming.

Easy Jam Removal

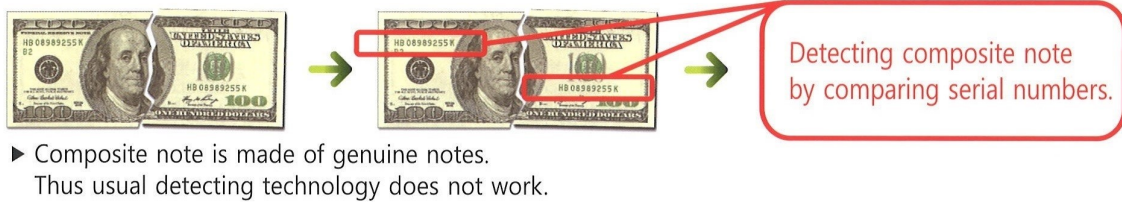

2. Additional functions

■ Extraction of Serial Number

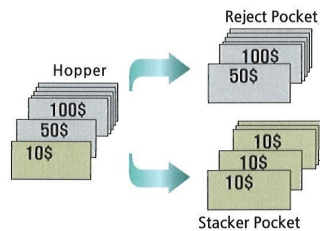

■ Comparison of Serial Number

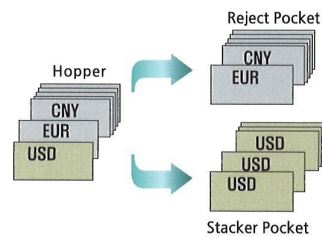

■ Auto Configuration(no need to press button)

MIB-9 detects currency and denomination of the first banknote, based on which MIB-9 automatically configures its setting without pressing any button

▣ Auto denomination configuration

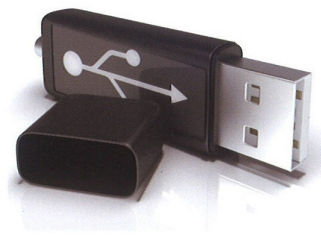

▣ Auto currency configuration

3. Easy Maintenance

Easy Upgrade with USB Memory Stick
